The Extended Day Program is not in operation during school holidays, full day conference days, noon dismissal days, some event days, or the summer months. We will notify you in advance if we will not offer Extended Day.

If you have a child enrolled in the *full time program*, 10 equal payments should be made beginning in August and ending in May. If you have a child enrolled in the *drop-in program*, you should receive a bill the month *after* your child has used the service. It will reflect the total hours of attendance during the preceding month.

You will not receive a drop-in statement unless your child has attended the previous month.

All students attending Extended Day will need to bring extra snacks and drinks. Children attending Early Morning Care may bring breakfast. Please notify the Office if anyone other than a parent is planning to pick up your child. (955-5211)

The parents of *drop-in program* students should send a note or call if they would like their child to attend Extended Day each day that the service is used. There is limited space available in Extended Day. Please call ahead to reserve your spot. For the safety of the children, we must limit enrollment. If you have not reserved a spot for your child and Extended Day is full, we will call you to pick up your child. If there are certain days each week that your child will attend, please notify the Office as soon as possible. All ages are combined during early morning care and after school care.

Please notify the Office of planned, scheduled days of drop-in attendance, as well as full-time attendance.
